NEW LENTON COAL PTY LTD
NEW LENTON COAL PROJECT

ENVIRONMENTAL POLICY

OUR COMMITMENT

Argo Bowen Pty Ltd will undertake its operations in a manner that meets our legal obligations, recognises the importance of effective community engagement to support good decision-making and promotes actions to achieve consistent environmental performance.

We strive to prevent and minimise environmental harm, through efficient resource management across our operations.

Argo Bowen is committed to:

- Developing, implementing and maintaining an environmental management system that aligns with ISO 14001:2015.
- Establishing objectives and targets that demonstrate our commitment to preventing and minimising environmental harm.
- Monitoring, reporting and reviewing our environmental performance against our legal obligations and performance indicators, to identify and encourage improvement.
- Communicating our legal obligations, and to build capacity across our workforce.
- Respecting the rights, interests, traditional knowledge, heritage and ecosystem values of our local communities and Indigenous Peoples.
- Complying with all relevant environmental legislation, regulations and standards.

OUR RESPONSIBILITY

Argo Bowen recognises it has a responsibility to ensure its operations are managed to prevent and minimise environmental harm as far as reasonably practicable. All Argo Bowen employees and contractors have an accountability and responsibility to fulfil the commitments of this policy. Management at all levels are responsible for the implementation and enforcement of this policy. This policy will be reviewed and updated as required to align with changes in business operations.
